

HELLO!

FROM RACHEL ONG

Dear Residents of Telok Blangah Division

I hope you and your family are well!

May I share some updates with you.

1. Close to 300 residents came together on a Sunday afternoon to celebrate an Easter event, many thanks to our Telok Blangah Youth Network! Children and their parents alike participated in the various Easter-themed activities; the infamous egg picking competition, egg hunting and drawing, balloon sculpting, topped off with a movie screening! Coming up next will be our Father's Day event, do watch out for it.
2. Good news for our Telok Blangah & Dover residents as several EV Chargers went LIVE over the past 2 months. Telok Blangah Blk 57A, 80D, 88A and Dover Blk 2A, all operationally ready for use!
3. On a similar note, the construction of the extended footpath by Blk 64 is currently underway and will be completed by July 2023. We thank everyone for your patience.
4. We started a new initiative in April 2023, "Caring for Caregivers". This initiative hopes to bring together caregivers of special needs families, to support & look after their well-being via different programs on a monthly basis.

As always, we welcome your feedback and suggestions, please feel free to reach out to me at rachel.ong@pap.org.sg

Much blessings to you and your family!
Rachel
