

HELLO!

FROM FOO MEE HAR

Dear Residents of Gek Poh,

As we enter the new year of rabbit, I would like to wish you a happy, healthy and blessed 2023!

I am pleased to announce the completion of upgrading works at two public amenities in Gek Poh. Those of you who jog on the track near Block 744 Jurong West St 73 will have noticed that the upgraded one is much brighter in color and more clearly demarcated. The therapeutic garden between Blocks 732 and 733 Jurong West St 73 has also been spruced up, and is now much more organised and spacious.

I am also delighted to see the completion of Home Improvement Programme (HIP) at Block 732 to 739 and Block 743 to Block 751. Residents can now enjoy a rejuvenated living environment after the upgrading works.

My heartiest congratulations to all the recipients of the Edusave Awards, your hard work has paid off! Please do keep me updated on the courses and internships you are pursuing, and for those taking a gap year to work before deciding on your academic trajectory, do let me know how it goes!

In Parliament, I joined the Debate on Budget 2023 as well as spoke on several other topics including boosting support to first time home-owners, enabling philanthropic impact, helping Singapore companies transition to low carbon future and enabling lifelong learning.

2023 is going to be an exciting year. I look forward to sharing more updates in my bi-monthly letters to you.

Stay well, stay healthy and together, let's make Gek Poh our Best home!
