

HELLO!

FROM ANG WEI NENG

Dear Residents of Nanyang,

Here's wishing that the year of the Dragon was off to a good start for everyone.

We celebrated the last day of Lunar New Year by distributing a few hundred packs of household items and food to Nanyang residents, particularly those who are more vulnerable, to mitigate the rising costs of living. It was great to meet some of you and your family members.

More than 5,000 residents enjoyed the dazzling Chingay Floats and fireworks at the vicinity of Blk 953 in Nanyang on 9 March 2024. A few more thousand residents were also excited that they could see the breathtaking 6-minute fireworks from the comfort of their home. Many children I met at the Nanyang Chingay Carnival told me they were very excited about the carnival activities and rides. Grateful to our volunteers, performers and the team for making this memorable event possible!

On the same night, the sheltered linkway from Blk 953 to 962 Jurong West Street 91, spanning 4 lanes dual carriageway, was finally opened. Residents can now expect so much convenience, come rain or shine. It was a delightful sight to see the linkway being lit up to mark its inauguration.

If you have any feedback, comments, or suggestions, please send them to me at angweineng.nanyang@gmail.com

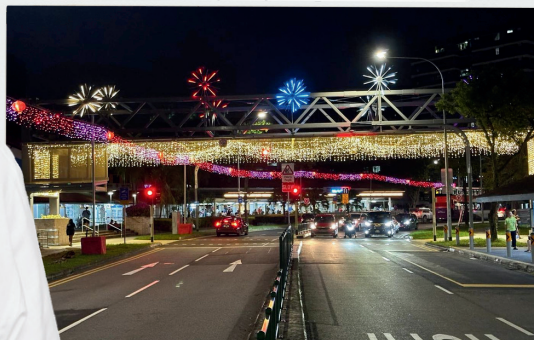

I wish all our Muslim residents a Selamat Hari Raya Aidilfitri.
