HELLO!

FROM PATRICK TAY

Dear Pioneer Residents,

June, being a school holiday month, offered a great break for students and a perfect time for families and residents to bond. I am pleased that the month was filled with activities and initiatives aimed at caring, connecting, and creating a better place for residents within Pioneer community. We appreciate your active participation which made these events enjoyable for everyone.

Free Haircut for Seniors

Care

In our ongoing efforts to support our seniors, we continued to offer free haircut services for seniors aged 60 and above. This complimentary service was made possible by our resident stylists, volunteers, and the talented team from #HairCarve Hair Studio.

We celebrated Education Merit Awards achievements with awardees and their families, enjoying an engaging afternoon over bowling and food. Congratulations to all our deserving students, and thanks to the Pioneer Community Volunteers, especially The Frontier Youth Network - Pioneer YOUths, for organising this meaningful event.

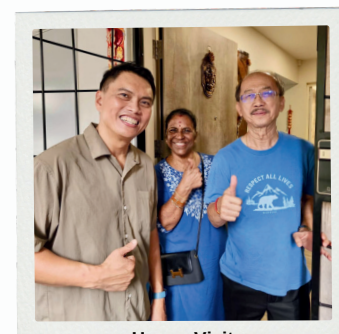

Education Merit Awards

Connect

We strive to stay connected with everyone in the community, and house visits are an important way for us to reach out to you. I had the opportunity to catch up with our residents during my regular visits in Pioneer Zone 6, listening to your concerns and understanding how we can serve you better.

Our Father's Day celebration, organised by the Indian Activity Executive Committee, was a heartwarming event. We also enjoyed the Fruits Party organised by the Senior Citizen's Executive Committee and the Family Night for our new residents from Jurong West Jewel. It was wonderful to see our community volunteers coming together to plan and organise these events to welcome our Jewel residents. These events fostered a sense of unity and strengthened our community bonds.

House Visits

Create

Our Greening Pioneer initiative continued to make our space greener and provide fresher air for everyone. It was great to see families and residents of all ages join in the planting of another 50 trees here in the Pioneer Constituency. Your participation helped us create a more sustainable and pleasant environment for all.

We also had a lovely community BBQ and Movie night in Pioneer Zone 7. I am grateful to The Frontier Youth Network - Pioneer YOUths and our Zone 7 Residents' Network for organising these enjoyable events. With good weather and a cool evening breeze, the event saw everyone enjoying healthy drinks, kampong snacks, and a hands-on BBQ experience, creating new friendships and stronger bonds within the community.

Community BBQ

As we look forward to National Day in August, I wish all of you a day filled with pride, joy, and celebration.
