

# COMMUNITY IMPROVEMENT PROJECTS Completed

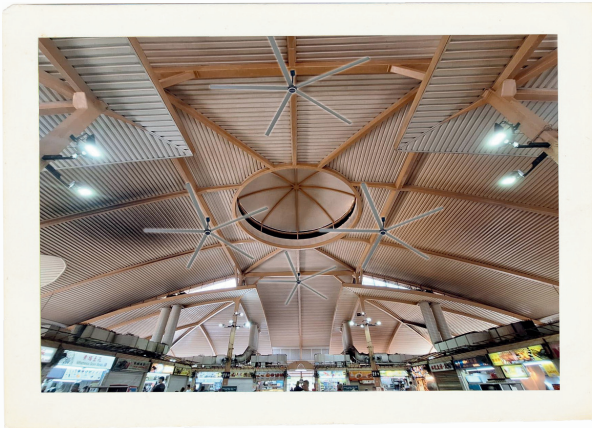

The Fitness Corner at **Blk 210 Boon Lay Place** has been upgraded. It looks much refreshing now with new fitness equipment, benches and rubber flooring.

The high bay lighting at **Blk 221A Boon Lay Market Place** has been replaced. This would provide better lightings to the 94 stalls in the market.

## Market Rejuvenation

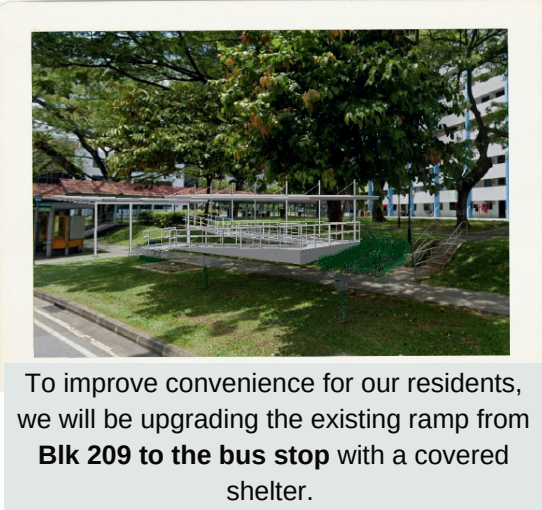

From 24th to 30th June

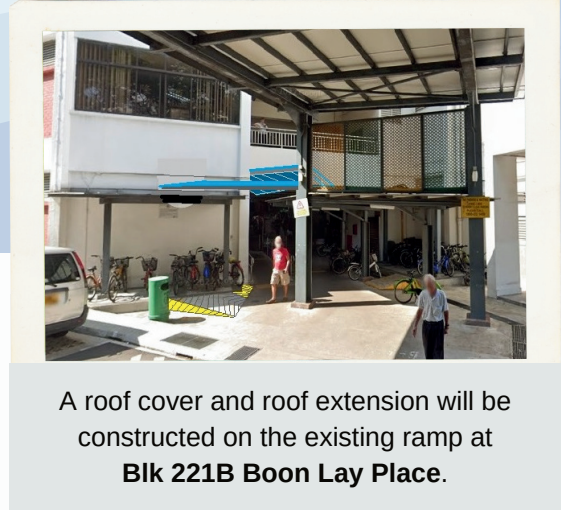

### Works that will be done at Blk 221A & 221B Boon Lay Place Market & Food Centre:

- Installation of 4 High Volume Low Speed fans
- Cleaning and washing of all common areas and facilities
- Pest Control
- Repairs to damaged flooring
- Improvement to existing lighting

## Upcoming

To improve convenience for our residents, we will be upgrading the existing ramp from **Blk 209 to the bus stop** with a covered shelter.

A roof cover and roof extension will be constructed on the existing ramp at **Blk 221B Boon Lay Place**.
