

SEASON'S GREETINGS!

FROM DESMOND LEE

Dear residents of Boon Lay,

As we enter a new year, I would like to wish everyone great joy and good health. We have made marked progress in our battle against COVID-19, and I am grateful for your understanding and cooperation as we adjust to this new normal.

Despite the impact of COVID-19 over the past year, much has been done to make Boon Lay the best home for you. We are upgrading the fitness corner at Blk 669B Jurong West Street 64 so residents staying in the vicinity have new and better equipment to keep fit. We also launched the allotment garden programme at Blk 183 Boon Lay Avenue multi-storey carpark in November, with residents able to ballot for a small plot of land to cultivate their own garden. Take up rate has been very encouraging, and I am excited to see the gardens in bloom in the coming months.

As part of a nationwide green effort by PAP Town Councils, we have installed an SG Recycle machine at Blk 221 Boon Lay Place. If you have old newspapers, books and carton boxes, you can deposit them at the SG Recycle machine in exchange for credits.

A big thank you to everyone as we continue to make Boon Lay the best home for all of us. If you have any feedback, comments or suggestions, please send them over to me at desmondlee@mnd.gov.sg. Once again, I wish everyone a blessed Christmas and a Happy New Year. Let's continue to work together in 2022!
